Bosch Hot Water has provided an extensive product range to the Australian and New Zealand markets spanning decades.

As the products age the availability of spare parts become limited and cannot always be supported.

To prevent unnecessary work on these appliances we provide this advice.

The following products are no longer supported through the sale of spare parts.

Electronic product

- YS 1639 (16e)
- YS 2039 (18e)
- YS 2431 (24Q)
- YS 2433 (24 std)
- YS 2439 (22e)
- YS 2441
